Thank you Fire n' Wheels

Pictured are Greg Curtis and Terry Boxell with Fire n' Wheels, presenting a cheque to Mrs. Wells.

Thank you to Fire n' Wheels for their generous donation to our breakfast program. This will definitely help feed students in need, students who didn't have time to eat before they headed off to school, and any who may have forgotten a lunch. We know how important it is for students to eat before they learn, and your support is greatly appreciated!

As a parent, you may not realize that we run breakfast and nutrition programs. The programs are open to all students and meant to fill hungry tummies. Earlier this year we received a grant that allowed us to purchase fridges for each grade to store items in to make the food readily accessible. We go through a lot of food in a month, so every donation makes a huge difference!

Accelerated Reading

Thank you to our AR Committee for putting on another fantastic virtual BINGO! Before the game began our grade 2 and 4 students were so excited that they were chanting B.I.N.G.O outside. A huge thank you to Mr. Mitchell and Mrs. Stang for taking time out of the day to be our announcers, and to Mrs. Golinowski for handing out the prizes!

Thank You Shawn Murphy & Wainwright Lacrosse

We would like to thank Shawn Murphy with Wainwright Wolfpack Lacrosse for coming to our school on March 28th to teach our students all about Lacrosse and how it originated. He has been a part of Lacrosse for many years and we are so grateful he could share his knowledge of the game with us.

We would also like to thank the Alberta Lacrosse Association for sponsoring this event. Our students had a lot of fun. If any students came home wanting you to look into registering, there is a flyer in our community events section of this newsletter.

Wainnaz Community Garden

We would like to thank the Wainwright Nazarene Church for once again welcoming our classes to explore the area around the Wainnaz Community Garden. Gardening tools and water are there for classes who want to help out their community and learn new skills to use. There is also plenty of space for classes to play lawn games if you have some extra time to spend. The games are not there, so you will have to bring your own. Classes are welcome to come often.

We would like to thank Rightway Sanitation, who are donating a Portable Toilet for the month of June for everyone who visits the garden to use.

Wainwright Wolfpack Lacrosse Program Information

Welcome to the 2023 Lacrosse year. We are excited that after the COVID years and a slow start last year, that Lacrosse in Wainwright will re-emerge as the sport of choice in the spring. This year we are concentrating on the Under 13 age groups (U7, U9, U11, and U13) to build a base for the club, both with players and parent volunteers. It is hoped that over the years we will get back to having strong teams in all age levels, including the Junior program.

For those new to Lacrosse, it is a fast, dynamic sport that has its roots back to the first peoples. It has developed over many years to our current game of Box and Field. Wainwright is part of the Wheatland Lacrosse Association that contains Cold Lake, Bonnyville, Vermilion, Lloydminster, Wainwright, Sedgwick, and associated with Lac La Biche and Fort McMurray.

Players are divided into age groups in order to have reasonable size players playing together. Players are divided as such:

- U7 (6 years of age or under on December 31 in the year in which they wish to compete)
- U9 (8 years of age or under on December 31 in the year in which they wish to compete)
- U11 (10 years of age or under on Dec 31 in the year in which they wish to compete)
- U13 (12 years of age or under on Dec 31 in the year in which they wish to compete)
- U15 (14 years of age or under on Dec 31 in the year in which they wish to compete)
- U17 (16 years of age or under on Dec 31 in the year in which they wish to compete)

Our Aim is to develop players within the appropriate age groups. If accommodations are required, they can be discussed including over or underage players.

Lacrosse season begins on the 17th of April in our zone. Practice will be held during weeknights, and games for the U13 and below will be held at weekend festivals. U15 and U17 schedule will be decided once the number and location of teams are confirmed. U7, U9, U11, U15 Practice on Monday and Wednesday, while the U13 and U17 practice on Tuesday and Thursday. Once we get our numbers and teams sorted, adjustments to the practice schedule can take place.

We are hosting 1 Additional drop-in night on 6 April from 6PM to 8PM, so that potential players can get a quick introduction into lacrosse and give time for parents to ask questions. It is hoped that practice will begin 11 April. Players MUST be registered before starting practice, no exception. The registration link is below.

Beside recruiting players, we are also recruiting volunteers. Like any other organization it takes volunteers to make things run, and we are no different. Although we do have a board, we will need replacements next year. Coaches, Team Managers, and Trainers will all be required. The requirements for these positions will be forwarded later. We are also in need of Referees. Come talk to us for the details.
