We are looking forward to celebrating our successes and accomplishments from our school year on Celebration Day. Please be sure to check out our newsletter to see all the happenings this month. Once again, Thank You! Please, be safe and enjoy your summer! We will see you after the long weekend, with the students' first day of classes starting on September 5th.

## Thank You Ron's Vac!

On June 19th students in grades 2 to 6 who have met their AR reading goal will be heading outside for a fun afternoon filled with water and sunshine. We would like to thank Ron's Vac for donating their time and water to fill our water bins for us. ## We are excited to announce...

The NED Show, is a character education program that centers around three important messages that have lifelong relevance: Never give up, Encourage others and Do your best. During the assembly, students will learn about the importance of these three life skills while also enjoying storytelling, magic, humor and yo-yo tricks.

For more information check out the Ned Show website: <http://bit.ly/NEDassembly>.

Students are able to purchase yo-yo's at the school on June 7, 8, & 9. See the order form on the next page.

# Hey KIDS and families!

The NED Show is visiting our school! The assembly is filled with storytelling, humor, illusions and amazing yo-top tricks where our kids learn the hidden message in NED's name:

- N**ever give up
- E**ncourage others
- D**o your best®

Do you want to learn to yo? A yo-top is both a learning tool and a tangible reminder of NED's message. While learning to yo, children will make mistakes, try again and improve.

WEPA and KAP have done a tremendous amount of fundraising throughout the year which has had a huge impact in terms of the field trips and special events that were offered to WES Students. We cannot begin to express how important they are to the students, staff, and families of WES. We are fortunate to have such great support. Thank you to all the parents who help to make our school a great place to be.
