School Vision

Our Vision is one where, "WES is a place where everyone is able to create their own story of hope, inclusion, and positive outcomes."

School Mission

WES our Mission is, "We are a safe, caring, respectful, and happy community of leaders."

School Mantra

The Mantra that we strive to exemplify is, "Together, leading by example."

WHAT GUIDES US?

The role of school council

School council members work together to support and enhance student learning. They provide a way for members of the community to consult with and offer **advice** to principals and school boards.

Discussion Items for school council need to be on the agenda in advance. Please see the Conflict Resolution Process to address concerns.
